

Bodzsár, É.B., Zsákai, A. (2007, Eds) New Perspectives and Challenges in Anthropology. Cambridge Scholars Publishing, Newcastle Upon Tyne, GB.

Contents

Part I: Evolutional Theories and Human Adaptation

Bowers, E.J.: A Genetic Model for the Origin of Hominid Bipedality.

Galbany, J., Estebanz, F., Martínez, L.M., Pérez-Pérez, A.: Buccal Dental Microwear in Extant African Hominoidea and Dietary Habits of Australopithecus Afarensis.

del Olmo, M.: The Challenge of Understanding Racism beyond Violence, Fear and Immigration.

Štrkalj, G., Gibbon, V.E.: The Race Concept in Contemporary Biological Anthropology.

Monge, F.: Interpreting the Past and the Anthropological Modern Practice: Live Ethnological Exhibits and Ishi's Legacy.

Pashos, A.: A Symmetric Kin Investment of Grandparents, Aunts and Uncles: A Two-Generational Study from Pittsburgh.

Part II: Variations in Past and Present Populations–Health and Disease

Bartoli, F., Longhena, M., Lenares, M.: Paleonutritional Analyses and Ethno-Anthropologic Studies on some Pre-Incaic Human Remains.

Sołtysiak, A.: Reduction of Tooth Size in the Khabur Basin (Northern Mesopotamia).

Fuster, V., Román, J., Joao Guardado, M., Zuluaga, P., Blanco, M.J., Colantonio, S.: Influence of Spanish-Portuguese Border Changes in 1801 on the Mating Pattern of Olivenza.

Toja, D.I.: Inbreeding Evolution in a European Catholic Population (Salazar Valley, Western Pyrenees, Spain).

Arnay-de-la-Rosa, M., González-Reimers, E., Fregel, R., Velasco-Vázquez, J., Delgado-Darias, T., González, A.M., Larruga, J.M.: Amelogenin Gene Patterns for Sexing Mandibles.

Romero, A., Galbany, J., Pérez-Pérez, A., De Juan, J.: Microwear Formation Rates in Human Buccal Tooth Enamel Surfaces: An Experimental in Vivo Analysis Under Induced-Diet.

Part III: Growth and Ageing in Present Populations–Facts and Factors

Wolański, N., Siniarska, A., Henneberg, M.: Phylo- and Ontogenetic Perspectives of Human Ecology.

Skrzypczak, M., Kaczmarek, M.: The Effects of Socioeconomic and Lifestyle Factors on the Subjective Perception of Health in Ageing Males.

Dipierri, J.E., Abdo, G., Alfaro, E.L., Bejarano, I.F., Quero, L., Marrodán, M.D., Moreno Romero, S.: Growth Pattern in Children Living at Different Altitudes in Jujuy (Argentina).

Kosińska, M., Szwed, A., Cieślik, J., Goździk, J.: The Nutritional Status of Adult Patients with Cystic Fibrosis.

Popovsky, A.I., Godina, E.Z.: Anthropometric Estimation of Body Composition of Adolescent Males according to Thyroid Size.

Bodzsár, É.B., Zsákai, A.: Present State of Secular Trend in Hungary.
